

ALL SPORTS BANQUET—Six Hamlin High School students were honored here Tuesday evening at the annual All Sports Banquet as the outstanding athletes in their sports. Gerald Rodgers, left, was a double winner as he received the Outstanding Basketball award and the Outstanding Athlete of the Year award. Others receiving awards were, left to right, Daniel Willis, Outstanding Back award; Robert Phariss, Outstanding Track award; Rick Craig, Outstanding Lineman award; Barbara Hooper, Outstanding Girls Basketball award; and May Ruth Brown, Outstanding Girls Track award. Ray Overton of Abilene was speaker for the annual banquet sponsored by the Piper Booster Club.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

It's Little League time again in Hamlin and like everywhere else it gets about as competitive as the battle for the world title in either football or baseball. The only difference is the size of the players.

And like any competitive sport the audiences get involved with the umpires, the coaches and the players.

The Fargo Forum in North Dakota printed a story about Donald Jensen, who was struck on the head by a thrown bat while umpiring a Little League game in Terre Haute, Indiana.

As the season gets into full swing here, we believe his story should be required reading for every parent and every fan of every Little Leaguer.

Jensen shook off the blow from the bat, continued to work the game, but that night he went to a hospital with pains.

While being kept overnight for observations, the umpire wrote the following letter to parents of Little Leaguers everywhere:

"I am an umpire. I don't do it for a living, but only on Saturdays and Sundays for fun. I've played baseball, coached it and watched it. But somehow nothing takes the place of umpiring.

"Maybe it's because I feel that deep down I am providing a fair chance for all kids to play the game without disagreements and arguments. With all this fun I've had, there is something that still bothers me about my job. Some of you folks don't understand why I'm there.

"Some of you feel I'm there to exert authority over your son. For that reason, you often yell at me when I make a mistake or encourage your son to say things that hurt my feelings.

"How many of you really understand that I try to be perfect? I try not to make a mistake. I don't want your son to feel he got a bad deal from an umpire.

"Yet, no matter how hard I try, I can't be perfect. I counted the number of calls I made in a six-inning game today. The total number of decisions, whether on balls and strikes or safes and outs, was 146.

"I tried my best to get them all right, but I'm sure I missed some. When I figured out my percentage, I could have missed eight calls today and still got about 95 per cent right. In most occupations that percentage would be considered excellent. If I were in school that grade would receive an A for sure.

"As I sit here writing this letter, I am no longer as upset as I was this afternoon.

"I wanted to quit umpiring behind the plate for a pitcher who

Anson Pair Honored At Older Texans Banquet

Miss Hybernia Grace and E. M. Connell, both of Anson, were honored as outstanding Older Texans in Jones County at the older residents banquet Friday evening at the Cowboy Christmas Ball Hall in Anson.

Mrs. Earl Brown of Hamlin, aging subcommittee member and mistress of

ceremonies welcomed some 273 older residents to the banquet, stated Mrs. Nacey Wilburn, County Extension agent.

Entertaining the group with special music was Fred Bennett of Stamford.

As the evening progressed Mrs. Tom Gregory of Hamlin, subcommittee member, recognized all nominees as sponsor presented their nominee to the banquet. Ross Dunn, subcommittee member and pastor of the St. John Methodist Church in Stamford presented the outstanding older Texan award to Miss Grace, sponsored by the Anson Woman's Club and Connell, sponsored by Graves & Neville's Dept. Store, Anson Lions Club and First Methodist Church in Anson.

Other nominees were Mrs. Leona Brown of Hamlin, sponsored by Hamlin Woman's Forum and Beta Theta; Mrs. A. A. Hackley, Hamlin AARP; Hub Holand, Anson Kiwanis; Ina B. Dougherty, Anson Lioness; Mrs. E. M. Connell, Anson Garden Club; Mrs. J. H. Warren, Anson First Baptist Church; and Vera Price, Prairie View Baptist Church.

Mrs. Wilburn stated that the nominees are judged by an impartial committee outside the community and that they judge solely on what the sponsor has submitted on the nomination sheet. Research of nominee's home, school, church, community and county achievements and accomplishments is extremely important Mrs. Wilburn said.

Visiting in the home of Mrs. O. R. Shelton were Mr. and Mrs. Dan Kerr of Odessa and grandson Dick Kerr of Angelo State University.

Game Night And Supper Set Friday

The Benefit Spaghetti Supper and Game Night will be held Friday night in the high school cafeteria to raise funds for the Hamlin Swimming Pool.

Tickets are on sale from members of the Lions and Rotary Clubs or at the door. Adult tickets for the supper are \$3 and tickets for children under 12 are \$1.50. Game tickets are \$3. One game ticket and one adult supper ticket may be purchased for the special price of \$5.

Work is being done on the pool and the expensive preparation for opening has begun.

Woodrow Bagley Elected President Jones County Fair

Woodrow Bagley of Anson was named president of the Jones County Fair Board at a special called meeting at the 66 Sirloin Cafe in Anson on Friday of last week.

Dee Patty of Ericksdahl was named general livestock superintendent and Carl Bearden of Stamford was named Finance chairman. Other board members elected for a three year term were: John Deatherage, Jack Anglin, and John Gilbert.

The 1976 Jones County Fair date was set for September 2, 3 and 4, 1976.

Tammie Harris Gets Scholarship

Tammie Harris, daughter of Mr. and Mrs. Beryl Harris, received the \$200 scholarship from Delta Kappa Gamma, National Honorary Teachers Society, May 8 at the Founders Day Breakfast at Hardin Simmons.

She was accompanied by Mrs. Leldon Clifton and Mrs. Frank Codington, Hamlin members.

Tammie will be attending West Texas State University this fall.

Catholic Church Sets Dinner Here

A dinner sponsored by the Catholic Church will be served at parish hall Saturday beginning at 11 a.m. a.m.

Tamales and Mexican plates will be featured. Carry out food will also be sold.

NEW LIGHTS FOR LITTLE LEAGUE—Sixty Quartz lights were turned on here Monday evening for the new Little League Baseball Park located in the City Park. The lights were installed and set last week by Stamford Electric Cooperative. Work started on the new ball park this spring after the old park was torn down to make way for the new Middle School building presently under construction. The Little League organization is still seeking donations for the project.

City Council Names Equalization Board

The City Council, meeting in its regular session here Monday evening, named an Equalization Board, let a contract for the city audit and discussed several problems facing the city.

Weldon Johnson, Bill Feagan and Robert Moore were named to serve on the Equalization Board for the

city. The three men will also serve on the board for the Hamlin Independent School District.

James E. Rodgers, Hamlin certified public accountant, was awarded the contract to audit the city's books for the past year.

Ernest Williams, recently appointed member to the council, took part in his first regular meeting Monday evening. He was named to fill the vacancy created when Robert Fowler resigned as councilman to become mayor. Williams was appointed during a called meeting in April.

The council discussed the problem of building materials being placed in the alley and issued a warning to homeowners that it was their responsibility to have old shingles and other building materials removed.

Superintendent Ellis West

said that if called ahead of time the city would furnish a truck for roofers to load old shingles into. He said that the city garbage truck could not handle these items and the city could not furnish the men to pick up this kind of waste materials.

The council also discussed with interested parties some of the problems of the Shell water line north of Hamlin but took no action.

The council also discussed the budget for the coming year but delayed any action until the next meeting.

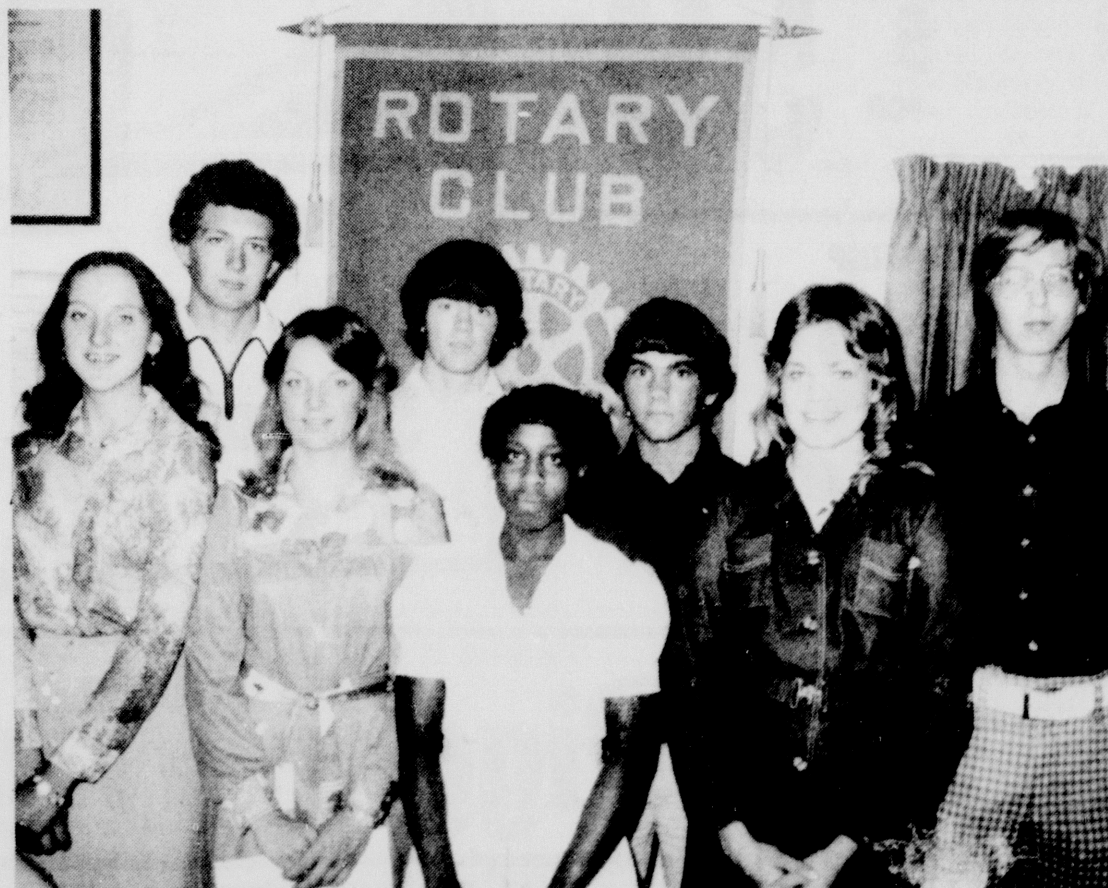

Trail Ride Set

A trail ride will be held June 6 and members will leave from the arena about 9 a.m. and go to the south lake, have lunch and come back.

Lunch will be furnished by the Hamlin Riding Club. All members are welcome.

ADVERTISING ART SHOW—Mrs. James Blanton, left, and Mrs. Robert Goodgame Jr. hold the posters prepared by the Hamlin Art Club advertising the Sunday Art Show and Sale at the high school cafeteria. Posters were placed in businesses this week inviting the public to the show from 2 to 5 p.m. Members of the local club also include members from Aspermont and Rotan.

RECEIVE ROTARY AWARDS—Hamlin High School students receiving the Rotary Awards are from left, Seniors Debra Hollis and Rick Craig; Juniors Cheryl Baker and Kyle Jackson; Sophomores Olivia Marshall and Mike Hymer; and Freshmen Jamie Jones and Randall Lewis. The Rotary Awards are given annually to a boy and a girl from each high school class selected by vote of their classmates. The award presentations were made at the May 12 luncheon meeting by J. C. Turner. Parents of the students were special guests of members of the club.

Christian-Close Vows Exchanged Saturday

Connie Dee Weice Christian and Ricky DeWayne Close of Fort Worth were married here Saturday at 2 p.m. at First Baptist Church. The Rev. Howard Jones, pastor, read the vows.

The bride is the daughter of Mrs. Robert R. Christian and the late Mr. Christian. The bridegroom's parents are Mr. and Mrs. Everett Close of Fort Worth.

Mrs. George Werner was pianist.

Mrs. Herman R. Daniell, sister of the bride, was matron of honor.

James L. Brittain of Fort Worth, brother-in-law of the bridegroom, was best man.

Leslie Kaye Daniell, niece of the bride was flower girl. Ring bearer was Ryan Brittain, nephew of the bridegroom, and candle lighter was Robin Brittain, niece of the bridegroom, both of Fort Worth.

Dean Plot of Richardson and David McCullough of Garland seated guests.

The bride, presented in marriage by her brother-in-law, Herman R. Daniell, wore a gown of silk organza fashioned with high neck, rounded yoke edged with Belgian lace, empire waist, reembodyered lace flowers outlined with pearls and long full sleeves caught at wrist with band of lace and pearls. The chapel train was edged with Belgian lace. The fingertip veil of illusion was edged with Belgian lace traced with pearls. She carried a nosegay of pink rosebuds.

The matron of honor wore a pastel floral chiffon gown. The flower girl's gown of flocked chiffon and lace was accented with pink ribbon trim and pink flowers in her hair.

Kathy Close and Beverly Jones served at the reception

hosted by the bride's mother.

After a wedding trip to San Antonio the couple will be at home at 614 North Fisk in Brownwood.

The bride is a graduate of Hamlin High School and a junior art major at Howard Payne University where she is a member of Alpha Rho Tau. She is employed by the First National Bank in Brownwood.

The bridegroom, a grad-

uate of Eastern Hills High School in Fort Worth, is a senior religious education and business major at Howard Payne.

He received the most valuable player award in golf and was named to first team all-conference in golf. He is employed by Andy Kohn Firestone in Brownwood.

The bridegroom's parents hosted the rehearsal dinner at Cliff House in Stamford.

Alan Steele, Diane Johnston Honored At Annual Banquet

Seniors Alan Steele and Diane Johnston were named Mr. and Miss Bicentennial at the annual Junior-Senior Banquet held in the high school cafeteria, Tuesday, May 11. Their selection as outstanding seniors was made by the Junior Class.

Sue Sellers, Junior Class president, was mistress of ceremonies. Kyle Jackson gave the invocation. The prophecies were read by DeDe Young and Cheryl Baker. The senior wills were read by Sherri Carter and Cyndi Lewis.

Juniors in charge of arrangements were Cindy White, programs and food; Jan Ford, prom arrangements and Elise Kelley, decorations.

The bicentennial theme was carried out in large

silver stars suspended from the ceiling of the stage area and silver stars framed with read and blue streamers on the walls. White columns with sprays of red, white and blue flowers draped with streamers led the way to the cafeteria. In the center of the U shaped eating area was a large bicentennial birthday cake encircled with white columns, red, white and blue flowers and streamers. The tables were centered with candles and arrangements of red, white and blue tissue flowers.

U.S. weight classes for shell eggs state that jumbo eggs must weigh 30 ounces per dozen, small eggs 18 ounces and peewee eggs 15 ounces per dozen. Mrs. Mary Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System, reports.

Mr. and Mrs. Bobby Caldwell of Houston and Mr. and Mrs. Cecil Caldwell of Arlington, spent the weekend in Lafayette, La. to attend the graduation of their son and grandson Jerry Caldwell from Art Center of Southwestern Louisiana with a degree in Architecture.

the gospel truth

by Bro. Marshall Townsley

"And these SIGNS shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; they shall take up serpents; and if they drink any deadly thing it shall not hurt them; they shall hands on the sick, and they shall recover." Mark 16: 17, 18

A sign is something used to indicate the authenticity or authority of something else. In the book of Acts, the 22nd verse, these words are recorded: "Ye men of Israel, hear these words: Jesus of Nazareth, a man approved of God among you BY MIRACLES AND WONDERS AND SIGNS, which God did in the midst of you, as ye yourselves also know." In this particular scripture, it is quite clear that God showed his approval of Jesus and proved the authenticity of the words he preached by signs, miracles, and wonders. Let's look at another example. "And they went forth, and preached every where, the Lord working with them, and confirming the word with signs following." Again we see that when God's word was preached with power, something always followed. "And now, Lord, behold their threatenings: and grant unto thy servants, that with all boldness they may speak thy word, by stretching forth thine hand to heal; and that signs and wonders may be done by the name of thy holy child Jesus." Acts 4: 29, 30

These wonderful miracles will not only be evident in the personal life of the believer but will make an evident path behind him as he goes forth preaching God's word. Too many men have tag themselves to be men of God to insure themselves a position of authority in the kingdom of God. Watch their ministry. I dare say if they do not have miracles following their lives, they are either ignorant about the word of God in this area or they're only hearers and not doers of the word. Two months ago, we prayed for a man who had severe heart blockage. This person stopped breathing as we prayed. He later told his wife that he had died. Thank God as we continued to pray in the Spirit the man revived and is alive and at home today. (Sylvester, Tx.)

Last week, a baby pulled a pot of hot water over on its precious little body. The stomach and legs received second degree burns as a result. After prayer, the mother of the child went to change the bandages placed there by the doctor. To her amazement, the burns had all disappeared. Praise God! (Childress, Tx.)

God is confirming his word here at the Gospel Truth. Are the things you're being fed from the pulpit being confirmed with these miracles? Does the man even stretch forth his hand to heal?

These are questions you need to ask yourself. Don't be deceived into thinking God is dead.

Allow us to pray about your miracle today.

"They had the baseball opening day ceremonies. All you need to open a baseball season nowadays, is a band and a mayor, and most any town has both of them. Sometimes it's hard to tell which is the worst."

"Well, here the band led the parade to center field, where the flag pole is. The players of both teams came next, all out of step. Somebody must have told them out there that they were out of step and that they should lead off going back with the other foot. And as they came back, they did all change and that made 'em just as much out of step as they had been going out."

FIFTY YEARS AGO

(May 21, 1926)
The final graduation exercises will be held at the High School Auditorium this evening, when the thirty-five Seniors will be awarded their diplomas. On this occasion Prof. F. G. Jones, of the C.I.A. Faculty will deliver the address to the class.

The personnel of the class of 1926 is as follows:

Misses Martha Malone, Anna Jo Wilkerson, Willie Inez Boone, Doris Bryan, Geneva Owen, Marie Pope, Gladys Childers, Buna Rountree, Ora Gillis, Ruby Dean, Gladys Cassie, Pearl Bristow, Bonita Harrison, Ruby White, Tots Buyie, Almeta Little, Ruby Thompson, Irene Fry, Mildren Morgan, Ernestine Watson and Meddie Mae Bynum.

The following young men are in the class: Joe Webb, Gerald Morgan, Pete Via, Robert Willingham, George Owen, Sidney Anderson, John Agnew, Travis Conner, Walter Gruben, Meridith Owen, Frank Harris, Horace McGee, Millard Webb and Jones Boyd.

This is by far the largest class to graduate from the Hamlin High School. Right here let the people realize that the "community" of Hamlin has greatly increased under the modern method of transportation and that Hamlin High School is to grow into a bigger and bigger institution. Here is hoping that all these graduates this year will continue their studies in high institutions and reflect credit on their home school.

The Herald has always know that Hamlin has some of the prettiest girls in the state, but did not know for sure that anybody else thought so. But NOW we see that they do. Recently Miss Velta Pardue, who is a senior in the State University was chosen as a beauty representative of the Kappa Alpha Theta Sorority, as one of the six most beautiful girls.

H. F. Davis is able to be up again after being hurt in a car wreck some weeks ago. He got three ribs broken when his car

tumbled off the California Creek, near John Hudson's home. Mr. Davis was hauling a grader tongue and in trying to drive so that the tongue would pass over the banisters he lost control and the whole business fell fifteen feet and it is a thousand wonders that he was not killed.

TWENTY YEARS AGO

(May 17, 1956)
A much cleaner and more attractive Hamlin is destined to be the end result of a week-long city-wide clean-up campaign slated for next week, according to Mayor O. D. Roland, who urges the full cooperation of the people of the community.

Interested citizens are asked to work by clocks in seeing that vacant lots and abandoned premises are included in the campaign. Pooling of work on these sectors by residents of a given block will improve the over-all picture of the community, the mayor points out.

Appointment of Mary Y. Newberry as new county home demonstration agent was approved Monday by the Jones County Commissioners Court.

Mrs. Newberry will assume her duties on June 1. She is a native of Hardeman County, a graduate of Chillicothe High School and Hardin-Simmons University of Abilene, from which she holds a bachelor of science degree in home economics.

Stanolind Oil & Gas Company was awarded an oil and gas lease on the 24-acre plot of the Hamlin city trash dump in action by the City Council at the regular Tuesday night session of the official body. The lease is for a five-year period. Lease on the city property at the South Lake was not awarded. Both properties had been awarded.

Two new street lights, to be placed in the City Park near the swimming pool, were approved for installation. Five new lights recently approved along the East Stamford highway and near the DePriest Colored School and two colored churches have been installed.

Bills for the past month were approved for payment. Routine business matters consumed most of the council's session, the first under the presiding of Mayor O. D. Roland, who took office at the previous meeting.

The Tuesday night council session was the first held in the newly finished city hall building, on the second floor.

Monthly pack meeting for the Hamlin Cub pack for April was conducted April 23 at the Primary School cafeteria.

The meeting was opened with the group singing "America." Program for the month was "Bird Observations." Each den gave the habits and laws about some game bird.

Awards were presented to the following Cubs: Freddy Shave, Doyle Bell, Jackie Townley, Kenneth Prewit, Allen Cumbie, Gary Jay, Jessie Goolsby, James Huisey, Tommy Robertson and Jimmy Inzer. Bill Richey received a den chief card.

TEN YEARS AGO

(May 19, 1966)
Jackie Buske, son of Mr. and Mrs. Jack Buske of Tuxedo, was presented the Fred B. Moore Jr. Agriculture Award at the Tuesday evening FFA Father and Son Banquet in the high school cafeteria. This award is given annually in honor of the late Mr. Moore to the senior FFA member who has contributed the most to the local chapter and to vocational agriculture during his four years in high school.

Commencement exercises for the 57 members of the graduating class of 1966 will be held Monday, May 23, at 8 p.m. in the high school auditorium.

Commencement speaker will be J. Keith Justice, head of the Agriculture Department at Abilene Christian College.

Mrs. L. B. Baker presented a group of her piano and organ pupils in a recital Sunday afternoon at 3 p.m. in the auditorium of First Baptist Church.

The following piano pupils were on the program: Debbie Cary, Sherry Carter, Lisa Joe Absher, Iva Jaye Starr, Gayla Stewart, Jodell Wilder, Renee Gonzalez, George Anne Pruitt, Beverly Carter, Tony Wilcox, Yvonne Houghton, Cheryl Lewis, Sharon Embrey, Connie Christian, David Mullings, Vicki Abernathy, Martha Marie Robertson, Marcia Steele, Rosa Linda Solis, Kathe Christian, Tony Lewis and Revonna Kay Robertson.

At a meeting of the Stamford District Vocational Agriculture Teachers Association in Haskell, Milburn Wink, local vocational agriculture teacher, was re-elected district public relations chairman for the district for the coming year.

READY FOR *New* CARGO

This ship has been emptied of its cargo, and now stands ready to take on fuel and more cargo for further service. If this ship were to remain empty, it would be of no value and would be failing in the one thing that it was built for.

Man was created to be a companion to God, and when he does not join in worship with God, he is failing in the reason for his creation. Make your life mean something for God . . .

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Philosopher Claims He Finds Something Funny About Foreign Policy, Egypt's

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One discusses foreign policy this week, sort of.

Dear Editor: Ordinarily, if a person is looking for something funny to write about, he wouldn't tackle foreign policy. American foreign policy, for example, is no laughing matter, except maybe to

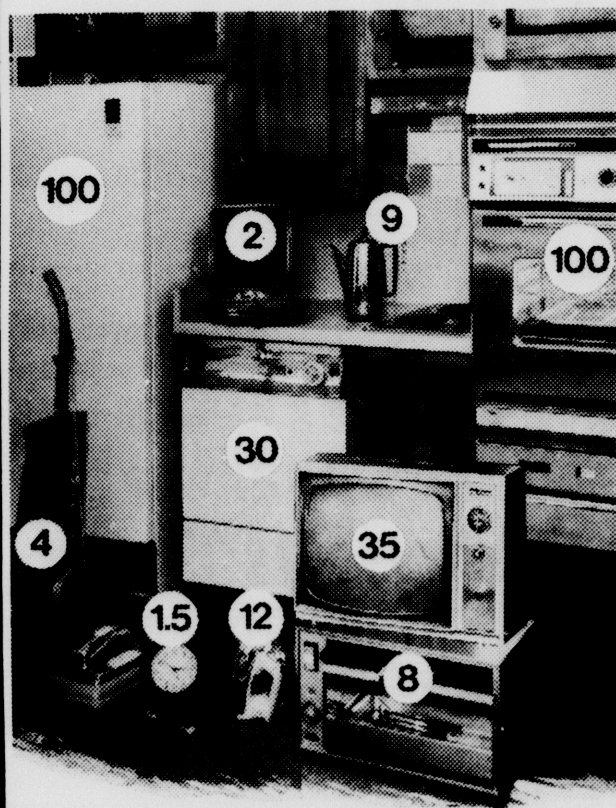

people in other countries. Therefore I will discuss Egyptian foreign policy. According to an article I read in the paper the other day, Egyptian President Sadat has cancelled a treaty with Russia because he said Russia has become unreasonable. "The Soviets are refusing to give me more arms. They are refusing to reschedule Egyptian debts. What is worse they are demanding

that I pay interest on the military debts." In the face of this President Sadat has cancelled Egypt's treaty of cooperation with Russia and has turned to the United States for help. This makes sense. Who ever heard of a country lending money to another country and then trying to collect interest on it? You won't catch the U.S. trying to pull a stunt like that. If all the countries in the world we've lent money to started paying just the interest on it, Washington would conclude we'd lost all our friends, our image abroad was ruined, and Kissinger would have to grab his check book and get back on his plane.

Oh well, Rome wasn't built in a day. You know, I've heard that expression all my life and never once have I ever heard anybody at any time ever claim it was built in one day. Rome is like some of those high-rise urban development apartment buildings. It takes longer to build one than it does to fall down.

Yours faithfully,
J.A.

HOW TO COUNT KILOWATTS AND CONSERVE POWER

Average KWH used monthly.

Energy conservation is difficult without some idea of how much electricity is required for each appliance. While there are ways to save money on almost any appliance by judicious use, heating and cooling offer the greatest potential for saving. Setting your thermostat at 78 degrees in summer and 68 degrees in winter can mean a very substantial saving on your power bill.

Midwest Electric Cooperative offers this reminder. If we each use electricity carefully, there will be enough for us all.

AGENT WARNS—

Protect Horses From Sleeping Sickness

Mosquito season is almost here and that means the danger increases for sleeping sickness in horses. Kirby Clayton, county agent for the Texas Agricultural Extension Service, says that one of the most serious diseases carried by mosquitoes is equine encephalitis, or sleeping sickness.

There are three kinds of equine encephalitis—western (WEE), eastern (EEE) and Venezuelan (VEE). Eastern and western encephalitis are the most common.

In 1975, 674 cases of WEE and 55 cases of EEE were diagnosed by U.S. Department of Agriculture laboratories. Also, an additional 105 cases of WEE and 40 cases of EEE were diagnosed by state and public health labs. WEE was a problem in Texas in 1971, but since that time no cases have been diagnosed in the U.S.

VEE has a complex natural history with many hosts and it is not known which of these hosts may exist and harbor the virus in Mexico or in the U.S. Since the virtual disappearance of the disease, vaccination against it has declined considerably, notes Clayton.

Therefore, if the virus were to reenter this country, it could spread rapidly since most of the horse population is not vaccinated against it. Clayton encourages horse

owners to have their horses vaccinated for all three types of equine encephalitis as soon as possible. Taking the time now to have your horses vaccinated can save a lot of heartbreak in the future.

PRESENTED BY THE STATE BAR OF TEXAS

Q: My wife and I are getting a divorce. Is she entitled to part of my retirement income?

A: Retirement income is among property eligible to be awarded to either party, or both parties, in a divorce. Whether one spouse will be awarded all, or any portion, of the other spouse's private or military-connected retirement benefits depends on several factors. These include: the terms of the retirement plan; when employment or military service began and how long it lasted in relation to the length of the marriage; and the trial judge's determination of what future financial needs of each spouse must be met in the divorce decree.

Q: I paid a security deposit when I moved into my apartment. I'm planning to move out next month when the lease expires. Can I deduct the amount of my security deposit from my last month's rent payment?

A: Your security deposit is not a part of your rent payments. If you deduct the amount of your security deposit from your final rent check, your landlord is entitled to bring suit against you for the unpaid rent. The law allows the landlord to sue for three times the amount of your security deposit and for the cost of attorneys' fees.

Q: Can a will be written for me to allow my wife and children to avoid inheritance taxes?

A: Inheritance taxes which may be imposed on your

estate after you die cannot be avoided simply by a provision in your will. However, inheritance and estate taxes can be minimized by proper estate planning. For example, proceeds from a life insurance policy on your life would not be taxed if your wife paid the premiums on the policy. Because your wife would own the policy if she paid the premiums, the proceeds from the policy would not be a part of your estate and would not be subject to taxes.

Q: Our daughter has been spending time with friends we consider undesirable. She refuses to obey when we tell her to stop seeing these friends. Can the juvenile court step in and help us control this situation?

A: The juvenile court has jurisdiction over children 10 through 16 years old who commit crimes which would carry prison or jail sentences if they were adults. Other types of conduct which come within juvenile court jurisdiction include habitually committing crimes which are punishable by fine, such as truancy, running away from home, and driving while intoxicated or under the influence of drugs. Since association with undesirable and disobedience are not included in these categories, the court could not step in and help you control the situation involving your daughter.

FFA Chapter Helps Students Learn About Agriculture

Children at the Hamlin elementary school are learning about agriculture this week from Hamlin High School vocational agriculture students who know from firsthand experience and study what agriculture is all about.

The instructors for the elementary students are all members of the Hamlin FFA Chapter, who are conducting the class in agriculture for elementary school children as part of the FFA's new "Food For America" program. This is the second year for the Hamlin Chapter to present the program.

"Food For America" is an effort by FFA chapters across the nation to tell the story of modern agriculture to elementary school children.

The entire "Food For America" project is co-sponsored through the National FFA Foundation, Inc., by four agricultural businesses: American Breeders Service, Division of W. R. Grace and Company; J. I. Case, A Tenneco Company; Chemagro Agricultural Division of Mobay Chemical Corporation, and DEKALB AgResearch, Inc.

"We are concerned that so few young people understand where their food comes from," says Hamlin Chapter President Carrie May. "Our members are well qualified to help elementary school children learn about agriculture because of the knowledge and experience we've gained in the vocational agriculture courses and by actual experience on the farm and in local agricultural businesses."

Following the classroom instruction and film on agriculture, chapter members have arranged to bring several farm animals and other agricultural displays to the school. Children will have an opportunity to see and touch live farm animals and farm crops. For many it will be the first exposure to the animals and crops that provide their daily food.

THE BIG ONE FOR DRY COUNTRY

IT'S DEPENDABLE

Dependable yields of consistently high quality fiber even in drought years. That's what made LX 571 a long time favorite with farmers here about. And it's nice to know that you don't have to give up something else for drought resistance. Farmers appreciate the good gin turn-out of fairly long staple fiber which makes in the premium range under normal conditions.

At maturity you'll like the looks of LX571's storm resistant bolls and at harvest you'll appreciate how well it strips one-time-over. LX 571 along with other Lankart varieties account for half the cotton planted in the Abilene Classing Office territory... strong testimony from people who know how to grow cotton in this area. If you think this might be a dry year

CHECK THESE CHARACTERISTICS:

- Good dryland cotton
- Good root system for drought resistance
- Top yields
- Good gin turn-out
- Medium early maturity
- Storm resistant bolls
- Excellent stripper variety
- Well-adapted to one-time-over harvesting
- Staple length in the 1" and longer range
- Micronaire in the premium range (under normal growing conditions)

CHECK THESE RESULTS:

• **Jones County (Tx)**
In a strip test reported by the County Agent in 1973 LX 571 (Lankart) produced 53 lbs. more lint per acre than the average of 11 varieties in the test—18% above the average yield.

• **Foard County (Tx)**
In a dryland cotton variety test conducted by the County Agent, LX 571 produced 367 lbs. lint per acre. There were 11 cotton varieties in the test and LX 571 produced 137 lbs. more lint per acre than the average of all these varieties.

• **Knox County (Tx)**
In a 1973 cotton variety demonstration on dryland conducted by the County Agent, LX 571 (Lankart) produced 455 lbs. lint per acre which was 40 lbs. more than the only competitive variety in the test.

If you raise dryland cotton in this area where drought is a threat, go with LX 571 this year. You can get Lankart LX 571 from your ginner.

Hamlin High School Happenings

(Compiled each week by the HHS
Journalism Class)

The Hamlin High student
body met in the high school
gym last Friday morning to
elect the 1976-77 cheer-
leaders.

The girls who were chosen
are Cheryl Baker (head
cheerleader), DeDe Young,
Jami Crowley, Starlet
Covington and Julie
Willingham.

The senior class left on
their annual senior trip to
Colorado Wednesday morn-
ing at 9. They will return
Saturday evening at 8.

High school students who
are not exempt because of
absences and/or low grades
will be taking final

examinations next Wed-
nesday and Thursday.

Exams for periods one
through five will be Wed-
nesday from 8:45 that
morning until 3:30 that af-
ternoon.

Sixth and seventh period
exams will be Thursday,
beginning at 8:45. School will
be dismissed at 12:30 that
day.

Each period for the final
tests is one and a half hours
long. If the students finish in
an hour they may take a
break until their next test.

Even though all Hamlin
Public School children finish
Thursday, all faculty
members will be involved in a
work day Friday.

The yearbook staff held
their annual dinner at Old
Abilene Town Monday
evening.

The fete honored Super-
intendent Bob Hawes,
Principal B. V. Newberry,
Band Director Tim Jones and
past yearbook sponsor Mrs.
Frank Codington for the aid
and encouragement they
provided this year in the
yearbook's production.

Others attending were
sponsor Mr. Jerry Gooch and
his wife, Mrs. Hawes, Mrs.
Newberry, Mrs. Jones and
Mr. Codington along with
staff members Gary Ford,
Patrice Moore, Lisa Absher,
Jan Ford, Rhonda Hart,
Wayne Wheat, Jamie
Crowley, Kelly Ferguson and
Stephanie Hymer. Debi Cary
was unable to attend.

REDDY'S HELPFUL TIPS

- ★ Your air-conditioner will operate inefficiently if filters are not cleaned regularly. Dirt and lint, collected on the filters, restricts air flow to the coils. Clean filters every two weeks.
- ★ Let nature help you save energy by shading your home with trees and shrubs to help cut down on summer cooling costs. Draw draperies against afternoon sun.
- ★ Remember to keep outside doors, windows, and fireplace dampers closed. If you have window units, close the heating vents near the floor, as cool air falls and can escape through vents.

McCaulley Students

**Entertain Parents
Thursday Evening**

McCaulley students, K through 6, entertained parents and friends Thursday evening with a program using a Bicentennial Theme.

Little Girls in old fashioned bonnets and dresses played parts of Betsy Ross and other colonial ladies. Boys dressed as Paul Revere, George Washington and Indians brought cheers from the crowd. Even Johnny Appleseed appeared planting seeds all around.

Wandell Williams drove in his "homemade" bus and seated commentators Todd Jeffrey, Donnie Jekel and Deborah Story who gave facts about history while classmates made them more meaningful by their costumes and pantomime. Music was provided by third and fourth graders and their rhythm instruments.

Teachers presenting their pupils in the program were Mrs. Edna Hill, Mrs. Donald Story, Mrs. Mayna Davis and Mrs. Pauline Morris.

Following the program the "Eagle" yearbook for 1976 was presented; dedicated to Mrs. Edna Hill and in
